

INTERVIEW QUESTIONNAIRE

Soccer, Rescue and Rescue Premier Only

The Process

In order to compete in the RoboCup Junior Competition, all teams are required to be interviewed.

Each team is required to fill this sheet out and submit it on registration. Teams will be required to attend a 5 minute interview and answer questions about their robots and programming. The robots will also be measured to ensure they comply with entry requirements. It is hoped to keep the interviews informal and informative.

Junior Rescue,

In keeping with the ideals of RoboCup the information from this sheet and the interview may be published.

PLEASE ANSWER THE FOLLOWING QUESTIONS (One Form Per Team)

School

Team Name

Robot/s Name

Event Entered (please Circle) Rescue Rescue Premier Soccer – Primary Soccer - Secondary

List the Team members names and their roles within the Team (builder, programmer, manager etc)

Name	Age	Role
